CONCLUSION/RESPONSE

Promise 1: I will free you from your oppression and rescue you from your slavery

What chains does God long to break for me?

What am I still holding that He wants to take from me?

Promise 2: I will redeem you with a powerful arm and great acts of judgement

Where am I stuck?

What is my next step to that 'something more'?

Promise 3: I will claim you as my people and I will be your God.

How do we need to know God deeper?

How do we need to know each other deeper?
